Rental Christmas Trees for Commercial Businesses

Christmas is one of the busiest times of year for most businesses. By renting your Christmas tree from **phs** Greenleaf, you’ll have one less thing to worry about.

Rental packages include:

A fully decorated Christmas tree with LED lights

+

Delivery, installation, and post-Christmas pick up

Trees are available in a range of heights and designs, with real and artificial options to choose from.

How does Christmas tree rental work?

Renting a Christmas tree is an easy and convenient way to bring the Christmas spirit to your premises.

You won't have to worry about decorating the tree, or where to store it for the rest of the year. Christmas experts from **phs** Greenleaf will do all the work for you.

Step 1:
Choose from one of our show stopping tree designs, or work with an interior designer to create a bespoke tree design.

Step 2:
Add matching accessories to brighten up the whole of your premises.

Step 3:
Your tree will be installed and set-up in your chosen location as part of the rental service.

Step 4:
Once Christmas is over, **phs** Greenleaf technicians will come back to take down and collect your tree.

Rockin' around the sustainable Christmas tree

phs Greenleaf are committed to providing customers with sustainable products and services.

By renting Christmas trees from **phs** Greenleaf, you can help boost the sustainability credentials of your business.

Delivery and collection of Christmas trees is scheduled geographically, helping to minimise the environmental impact of service vehicles.

All trees are supplied with LED Lights. These lights are highly energy efficient and use less electricity than traditional bulbs.

For every real Christmas tree rented from **phs** Greenleaf, two new trees will be planted. Ensuring Christmas trees are sustainably supplied.

After Christmas, artificial trees are returned to the **phs** Greenleaf depot, where they are thoroughly cleaned and refurbished for reuse.

phs Greenleaf is undergoing a major sustainability review, focussed on achieving ISO14001 status and encouraging green. innovation throughout the business.
