How does Christmas tree rental work?

Renting a Christmas tree is an easy and convenient way to bring the Christmas spirit to your premises.

You won't have to worry about decorating the tree, or where to store it for the rest of the year. Christmas experts from **phs** Greenleaf will do all the work for you.

Step 1:

Choose from one of our show stopping tree designs, or work with an interior designer to create a bespoke tree design.

Step 2:

Add matching accessories to brighten up the whole of your premises.

Step 3:

Your tree will be installed and set-up in your chosen location as part of the rental service.

Step 4:

Once Christmas is over, **phs** Greenleaf technicians will come back to take down and collect your tree.

Dreaming of a Greener Christmas

phs Greenleaf are committed to providing customers with sustainable products and services.

Delivery and collection of Christmas trees is scheduled geographically, helping to minimise the environmental impact of service vehicles.

For every real Christmas tree rented from **p**hs Greenleaf, two new trees will be planted. Ensuring Christmas trees are sustainably supplied.

All trees are supplied with LED Lights. These lights are highly energy efficient and use less electricity than traditional bulbs.

After Christmas, artificial trees are returned to the **p**hs Greenleaf depot, where they are thoroughly cleaned and refurbished for reuse.

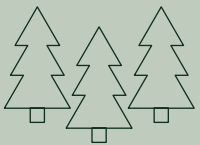

phs Greenleaf is undergoing a major sustainability review, focussed on achieving ISO14001 status and encouraging green.

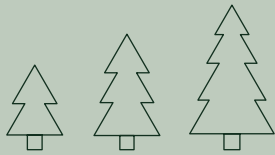

By renting Christmas trees from **p**hs Greenleaf, you can help boost the sustainability credentials of your business.

Introducing The Festive Forage...

The Perfect Hybrid of Tradition and Innovation

This festive season, allow us to expand your sustainability portfolio. Our unique and woodland-inspired design combines rustic charm with sustainability to create a truly special tree that is sure to be the centrepiece of any room.

Designed with the planet in mind, we have carefully crafted our Festive Forage tree to reflect our love and passion for planting using a selection of natural recyclable, re-used and much-loved decorations - perfect for those who want to make an eco-friendly statement.

With **phs** Greenleaf's rental service, the Festive Forage will be delivered directly to you, so you can enjoy all the convenience that comes with it.

Make this Christmas one to remember with our limited-edition design today. Trees are available in a range of heights and designs, with real and artificial options to choose from.

Make this Christmas extra special with the **gift of giving**

At **phs** Greenleaf, we believe in the power of giving, especially during the festive season. This year, we are delighted to introduce our Limited-edition **Prostate Cancer UK Bauble**, each priced at just **£10**.

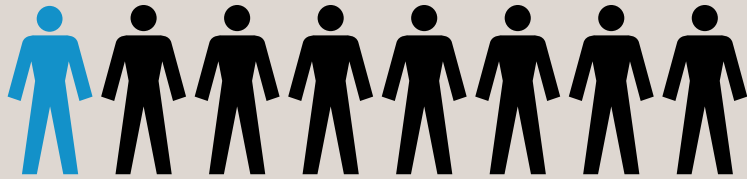

What sets them apart?

Every single penny from the sale of these baubles will be **channelled directly to Prostate Cancer UK**, the leading men's health charity in the UK, dedicated to combating the most prevalent cancer among men.

PROSTATE CANCER AFFECTS

1 IN 8 MEN

**AND THIS RISK ESCALATES
TO 1 IN 4 FOR BLACK MEN**

Prostate Cancer UK: Changing lives for the Better

Prostate Cancer UK is steadfast in its mission to save and enhance the lives of those impacted by prostate cancer. With a profound commitment to funding research, they aim to uncover better ways to diagnose and treat the most common cancer in men.

Their dedication extends to raising awareness about the risks men face and providing invaluable support to those affected by the disease.

Why Choose the Prostate Cancer UK Christmas Bauble?

A gift with **meaning**

This Christmas, offer a gift that truly matters. The Prostate Cancer UK bauble is designed not just to adorn your tree but also to make a meaningful impact on the lives of many.

A **timeless** design

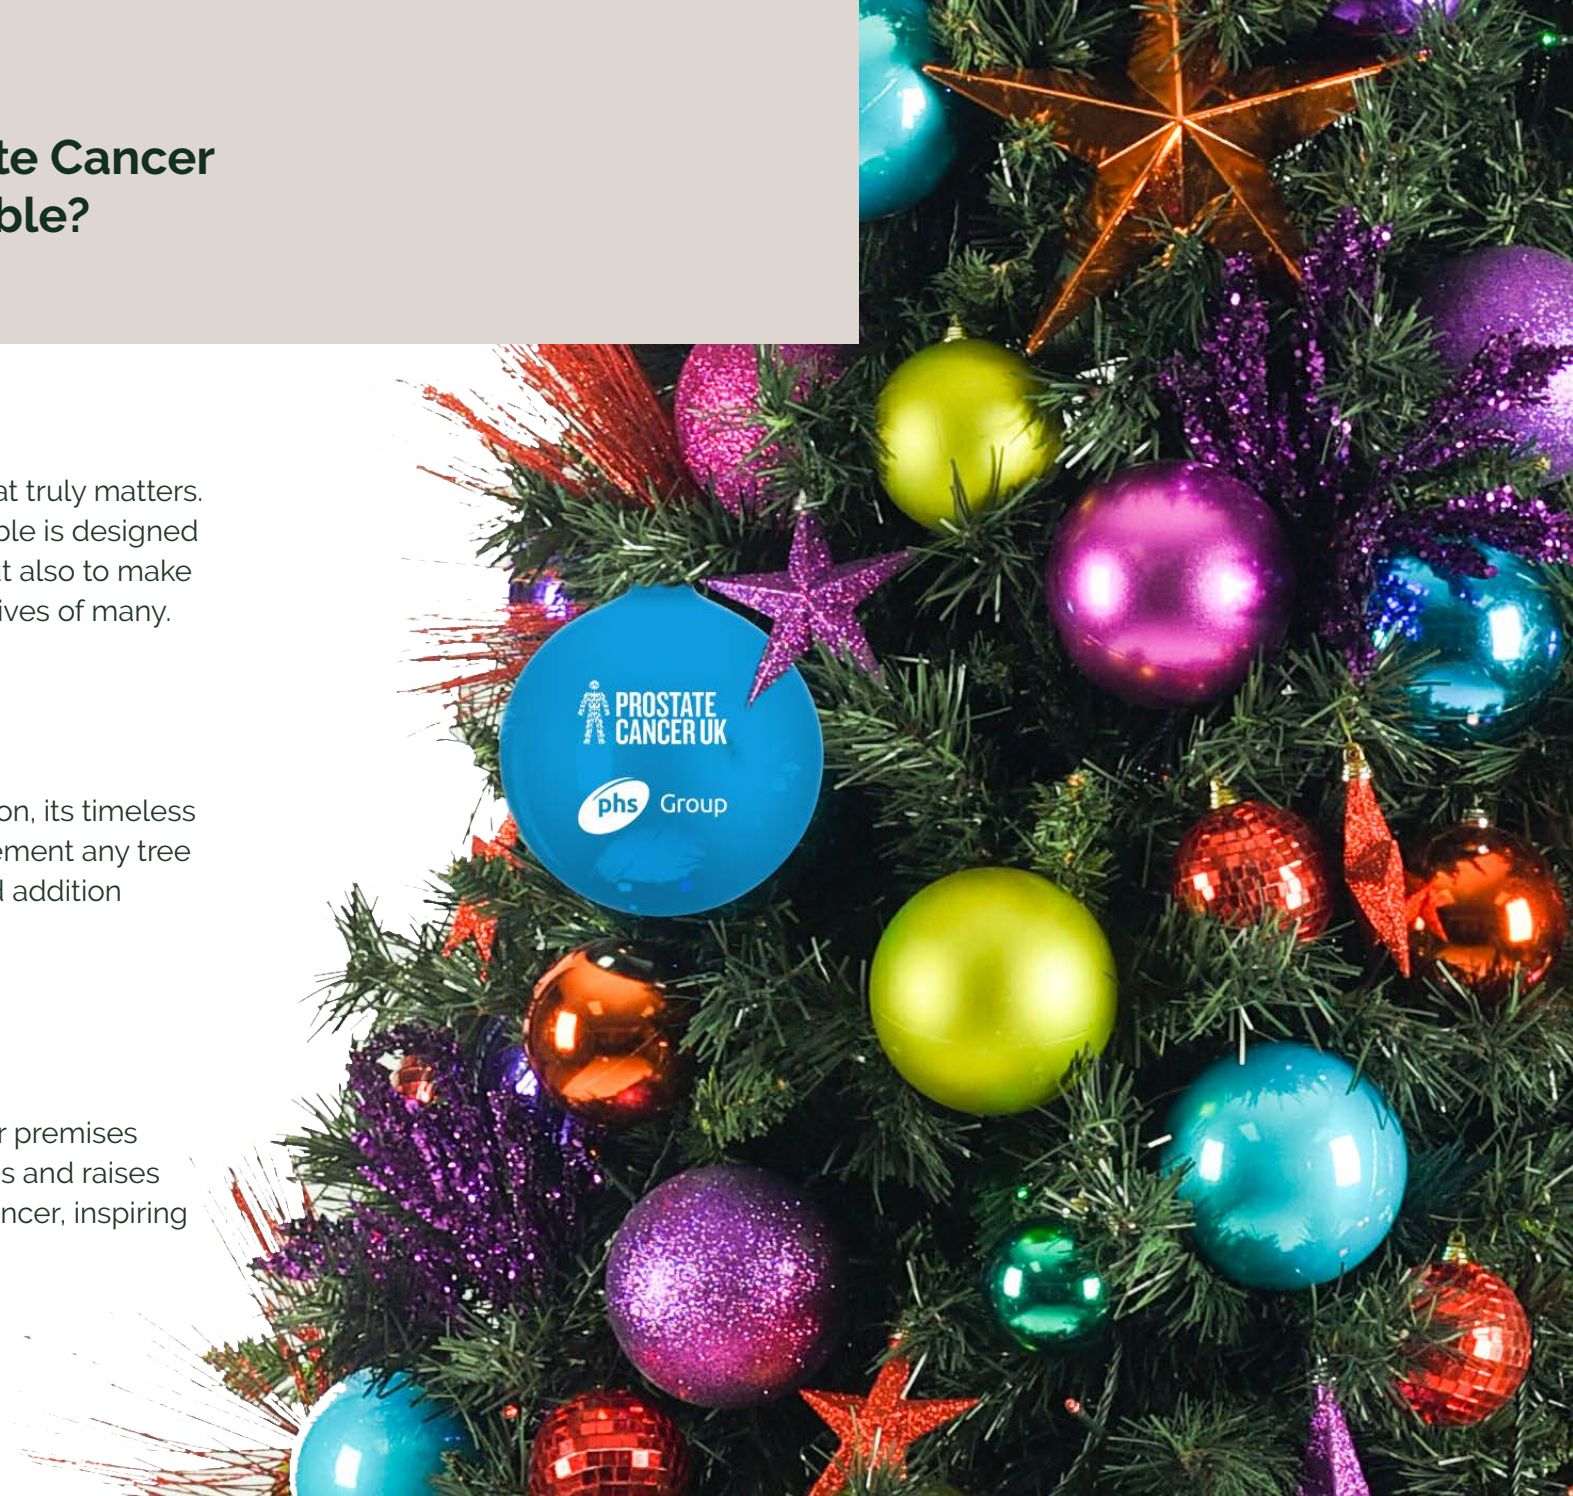

Crafted with care and precision, its timeless design ensures it will complement any tree design, making it a cherished addition to your Christmas traditions.

Spread **awareness**

Displaying this bauble in your premises or home sparks conversations and raises awareness about prostate cancer, inspiring others to join the fight.

Limited-edition **Prostate Cancer UK** Bauble, each priced at just **£10**.

'Tis the season of senses

Did you know that studies show that smell is intricately linked to memory and emotion? making it the most potent of all the senses.

Harnessing the power of scent, Sensamist brings you the opportunity to create immersive multi-sensory experiences that resonate with your customers on an emotional level.

Just like your branding or colour scheme, your signature scents can establish familiarity and ensure your customers remember you.

This year, allow Sensamist to craft an ambiance that captures the very essence of Christmas and give your customers an experience they'll cherish.

Transform your space with the Scent-sational Winter Warmer

Elevate your space and create a cosy atmosphere that's reminiscent of classic Christmas scents with the Limited-Edition Winter Warmer fragrance.

Allow your guests to indulge their senses in the harmonious blend of Baked Cinnamon Apples, creamy Vanilla, and rich Brown Sugar, complemented by delicate notes of Nutmeg.

Stay one step ahead this Winter with our gritting services

Don't let the cold season catch you off guard. Winter weather can turn your premises into a treacherous ice rink, posing a significant risk to your employees and visitors.

At **p**hs Greenleaf, we understand your commitment to safety and your obligation to fulfil your Duty of Care. That's why we offer tailored gritting services designed to keep your site safe and free from the threat of slips and falls.

Reactive or Proactive: The Choice is Yours

Our snow clearing service is tailored to meet your specific needs.

You can choose between a **reactive approach**, where you call us in when snow accumulates to 5cm or when snow fall is imminent.

Or opt for our **proactive service**, which kicks in when the forecast predicts more than 5cm of snow between 6pm and 6am. We'll send our machines to your site at the right time, ensuring you stay ahead of the bad weather.

Your Duty of Care, Our Priority

We take your Duty of Care responsibilities seriously. With our services, you can expect:

- Daily ice forecasts for each of your sites
- Gritting of roads, car parks, and walkways
- Snow clearance as necessary
- Electronically stored records to demonstrate Duty of Care requirements

Seamless Communication and Budget Control

Our commitment to you extends to transparent communication and budget control:

- Automatic alerts from the Met Office comes through via an automatic alert system
- We notify you when the agreed trigger temperature hits zero or below
- We will send an email to you to confirm the gritting visit has taken place
- Our services are offered between **21st October – 30th April**, we require 7 days' notice to begin the servicing
- No upfront charges for the entire Winter – you only pay for attended visits
- Fixed visit prices for contract term
- Pre-advice (based on MET Office data) of every visit giving you the option to cancel
- We use white marine salt, minimising visible dirt carried into building
- Short term mat hire is available to protect floors and reduce cleaning costs
